GOOD TO KNOW

HOW THE PLANS WORK

VIEWER HOURS, TERMS AND CUSTOM PLANS

UNDERSTANDING VIEWER HOURS

Some streaming companies bill by data transfer; others bill by viewer hours. **HDOnTap bills by viewer hours.** A viewer hour is one hour of watching, shared across any number of viewers:

4 PEOPLE × 15 MINUTES EACH = **1 VIEWER HOUR**

Every plan includes **unlimited concurrent viewers**, so your stream stays up no matter how many people tune in at once.

CONTRACT TERMS
